A message from the Management Committee

The year has been a challenging one for Blenheim Gardens RMO however the Governance Board feels there has been significant progress made preparing the RMO for the future and maintaining the delivery of high quality customer focused services.

The year has been focused on the many issues associated with the Lambeth Housing Standard works completed on the estate by Wates but project managed by the Council. Much of the works completed is substandard and presents a real liability to residents and the RMO in future years. This matter remains on going at year end as does negotiations on what external work such as new roofs etc will be undertaken in the future. We understand works will however commence in the coming months.

During the course of the year, the RMO submitted a business case to the Council to increase the remit under the terms of its Management Agreement. The business case included taking on addition functions such as major works. We await the outcome of this.

During the course of the Year, the RMO obtained the NFTMO Good Governance Kite Mark for the third time, a position not only enjoyed by only a few TMOs nationally, but one that also recognises the good work that the RMO board members undertake for this estate.

Some of the objectives achieved during the 2016-17 financial year included:

• Working towards satisfactory completion of the water site leakage in Ramilles Close
• Continued to renew garage doors with high security, low maintenance type
• Increased membership to the RMO and Governance board member nominations
• Submitted a business case to the Council to undertake additional responsibilities
• Provided apprenticeship opportunities
• Developed a youth forum to shape activities and events for all young estate residents
• Reviewed our staffing arrangement in preparation of the allowance review in 2018
• Reintroduced an edible garden area using external funding from Tesco’s
• Retained our NFTMO Good Governance status
• Introduced an enhanced mutual exchange scheme to reduce levels of void becoming available
• Supported local groups such as the Clapham Youth Centre, the Holmewood play and stay group, Friend of the Windmill Gardens, Progress, CEFL & Lynx and the Good News Food Project

Blenheim Gardens RMO remains one of the top quartile performing organisations in Lambeth. The RMO achieved all its performance targets at year end and obtained good reviewed from the STAR survey completed in 2017 on behalf of the Council. BGRMO outperformed the Council in all service areas and for the second time was ranked 2nd overall out of all TMO in the borough. BGRMO was however ranked 1st in 8 of the 16 service areas tested.

Finally, the RMO would like to thank all estate residents who have assisted us during the year. Without the involvement of estate residents and in particular, our board members, the RMO would simply cease to exist.
About us…
Blenheim Gardens RMO

Our vision is for a resident-led enterprise recognised as a centre of excellence, working together, with a shared commitment, to provide good, modern housing and excellent housing services.

Blenheim Gardens RMO supports a diverse, vibrant and successful community by delivering services that focus on the real needs and aspirations of our residents.

• Improving the homes and environment for all residents
• Working to eliminate community and financial exclusion
• Working in partnership with other community groups to improve the area immediately surrounding Blenheim Gardens Estate
• Undertaking projects and initiatives that will benefit our community
• Working towards securing greater independence for the RMO from Lambeth Council
• Working towards building a cohesive and sustainable community.

Our values:

BGRMO has developed the following values in order to reflect our commitment to resident participation and to provide value for money services:

• We will at all times endeavour to put our residents first

• We value residents’ opinions
• We believe in actively improving the quality of life for all residents

• We will establish leadership through effective governance and accountability.
Improving the local environment:

The RMO, using a grant from Tesco’s bags of help scheme, has introduced an estate edible garden area situated between Ramilles Close and Blenheim Gardens.

The garden is growing fabulously and many residents are using this area to grow produce. A welcomed addition to the estate.

Governance Board at Blenheim Gardens:

We currently have 18 dedicated board members. All of our board members, with the exception of one, are residents on Blenheim Gardens Estate.

Board members can be council tenants, leaseholders or freeholders on the estate. Also the RMO can nominate co-opted members to the board. Co-opted members generally have a particular experience or specialism that will benefit the board and the community.

You do not need any specialist qualification or experience to become a board member and we particularly welcome residents from ethnic minority groups and young estate residents, since, at the present time, residents from these groups are underrepresented at board level.

Any training required by board members is provided free of charge. The board also operates a board ‘buddy’ system, where new board members are shadowed in their new role by a more experienced board member.

Executive members:
- Eamon Maguire, Chair
- Thomas Crouch, Vice Chair
- Anne Jones, Secretary
- Maud Simmance, Treasurer

Board members:

2. Strategy (Managing TMO Risks)

4. Financial Management (Budget setting and monitoring)

The next Annual General Meeting will be hosted on Tuesday 24th October 2017 at the Community Hub, 23 Prague Place, SW2, from 7pm.

STAR Survey Results:

The Council conducted its Survey of Tenants And Residents (“STAR”) late 2016. The aim of the survey was to capture the level of residents’ satisfaction on various aspects of the services delivered by the TMO. The survey was not carried out in 2015-16 so for comparative purposes, 2014-15 figures are used for reference.

Three of the survey questions form part of the annual performance indicators. They are the percentage of overall satisfaction (88.4% - ranked 2nd), percentage satisfied with residents’ views taken into account (73.93% - ranked 2nd) and percentage satisfied with the way anti-social behaviour is dealt with (76.51% - ranked 3rd).

Blenheim Gardens RMO’s high rankings on these indicators show that residents living in Blenheim Gardens Estate are satisfied with the services provided by the TMO.

Thank you for participating in the STAR Survey.

RMO surpluses – how shall we spend your money?

Since 2001 the RMO has accumulated considerable reserves. The reserves are placed on deposit and are to be used for the benefit of the community i.e. Blenheim Gardens Estate and its residents.

The RMO is consulting residents on what they feel some of the reserves fund should be spent on.

Enclosed with this annual report is some suggestions for your consideration on what some of the money can be spent on, you may suggest others.

Please return your completed form to the estate office by Friday 1st December 2017. Your personal details are not required.

This matter will be discussed at the RMOs general meeting to be hosted on 24th October 2017.

Please ensure you have your say on how your money is spent.
